# Meet Our SmartStock® Classic and Mini Cutlery Dispensers

**SmartStock® Cutlery Systems deliver the ultimate guest experience** with a hygienic closed-system design and efficient one-at-a-time dispensing. And dispensers are engineered to help ensure maintenance is time saving, infrequent and easy.

**29%**

One-at-a-time dispensing reduces cutlery usage on average by 29%<sup>1</sup>

## SmartStock® Classic Cutlery Dispenser

Holding up to 120 utensils, this dispenser is space efficient and easy to maintain.  
Color: translucent black.

## SmartStock® Mini Cutlery Dispenser

Holds up to 80 utensils, fits under standard-height cabinets, and is perfect for small spaces.  
Color: translucent black.

### HYGIENIC CLOSED SYSTEM DESIGN

Helps protect cutlery from contamination, and patrons only touch the cutlery they use.

### HELPS REDUCE CUTLERY USAGE

One-at-a-time dispensing reduces cutlery usage on average by 29%.<sup>1</sup> That's less consumption and waste than open cutlery bins.

### EASY TO REFILL AND MAINTAIN

Pre-counted utensil refills can cut loading time by 50%.<sup>2</sup> And inventory management is easy with densely compacted refill stacks.

### SUSTAINABLE CUTLERY SELECTIONS

Compostable cutlery<sup>3</sup> contains up to 96% renewable content; Bio-Blend contains up to 30%.<sup>4</sup> Can save over 1 lb. of plastic per case vs. individually wrapped cutlery.<sup>5</sup>

<sup>1</sup>Compared to open cutlery bins. GP PRO Proprietary Research: CUT-05-01. <sup>2</sup>Independent research commissioned by Georgia-Pacific on the SmartStock® Classic Dispenser. <sup>3</sup>Product is compostable in commercial composting facilities. Such facilities may not exist in your area. <sup>4</sup>Renewable material may include starch and/or PLA that come from plants and other naturally renewable materials. <sup>5</sup>Based on complete wrapped Dixie® cutlery.

# Dispenser Accessories

Maximize space and increase convenience with accessories for Dixie Ultra® SmartStock® dispensers. The SmartStock carousel saves counter space and makes it easier for patrons to get the utensils they need. One at a time, of course.

## MORE SMARTSTOCK® INNOVATION

### Touchless Tri-Tower and Wrapped Cutlery Systems

Seeking touchless cutlery dispensers? Look to our high-capacity Tri-Tower Cutlery Station or Wrapped Cutlery System. Both offer SmartStock® one-at-a-time dispensing and accommodate three utensil types in one dispenser.

**Ask your GP PRO representative about a Tri-Tower or Wrapped Cutlery System Trial Kit.**
