

You Can Count on Dixie® Cutlery

Choices to Serve

Dixie®
Light Weight
Polystyrene

1

Value with an everyday design.
Perfect for sampling foods such
as cheese spreads and ice cream.

2

Dixie®
Medium Weight
Polypropylene

Safe and economical choice —
perfect for lighter foods and
side dishes. Cost effective and
excellent value.

Your Every Need.

Why so many plastic cutlery choices?

You don't have to settle "for the next best thing" when you can have "just right" cutlery for your operation. We offer an array of substrates, weights and packaging options so you get exactly what you need to serve everything from yogurt to meat and potatoes.

- Polystyrene and polypropylene substrates
Light, medium and heavy weights to ensure the right durability
- Options include dense pack, boxed, Grab'N Go®, individually wrapped and wrapped kits

4

Dixie® Heavy Weight Polypropylene

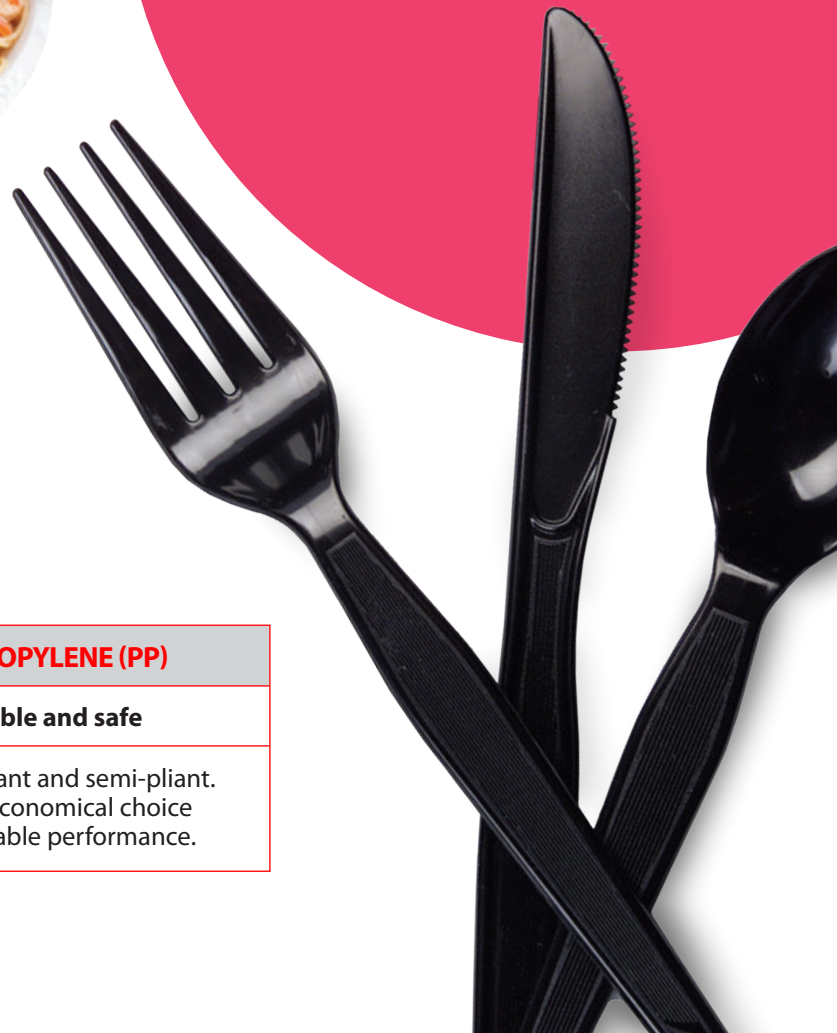

Full-size utensils for an upscale image. Strong, shatter resistant and durable, these full length polypropylene utensils offer excellent performance.

5

Dixie® Heavy Weight Polystyrene

Premium choice with exceptional strength and rigidity — perfect for tough to cut food like steak and chicken. Full size dinner length and elegant design for an upscale image.

POLYSTYRENE (PS)	POLYPROPYLENE (PP)
Rigid and strong	Bendable and safe
Durable and elegant. Affordable premium choice – ideal for menus requiring performance and style.	Shatter resistant and semi-pliant. The more economical choice for dependable performance.

Universal

*Depiction is not actual size but proportional.

What is a Dense Pack?

Dixie® cutlery is neatly stacked in rows and packed efficiently in quantities of 1000. Much easier to handle than a messy "free-fall".
