

A single cup solution for
hot and cold beverages

Trophy® Plus™ Dual Temperature Insulated Cups

- **Cost control** – the efficiency of two cups in one and a common lid streamlines inventory
- **Case and space management** – compact cups nest tightly so more fit in a stack, reducing the frequency of dispenser refills, and a smaller case cube makes transportation more efficient, freeing up storage space
- **Upscale graphics** – top-to-bottom print capability and a glossy finish creates a billboard for custom graphics and branded messaging
- **Built to perform** – a rolled rim tightly secures the lid, increased rigidity provides added strength, and Cozy® Touch™ insulation ensures customer comfort
