

Superior Product Visualization

Deliver optimal meal presentation
and peak freshness with ProView™
hinged foodservice containers

PROVIEW: THE PINNACLE OF FOODSERVICE CONTAINERS

ProView™ merges back-of-the-house efficiency with positive customer experiences. With a clear, vented top and black base, the container optimally displays meals, replicating in-house dining. ProView™ is a leak-resistant, premium quality container that delivers a superior view. Easily stackable, ProView™ helps maintain meal freshness, showcases product presentation, and provides ease in portability. Available in a variety of sizes to meet your business needs.

Versatile and recyclable*, ProView™ containers can be stored in the refrigerator, reheated in the microwave, and placed neatly in the dishwasher. ProView's efficient design allows restaurant staff to quickly and easily verify the accuracy of customer orders. Elevate your takeout and delivery operations while providing positive customer experiences with ProView.™
